

A Very Special ICT Taster – Try Before You Buy

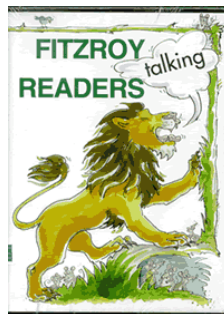

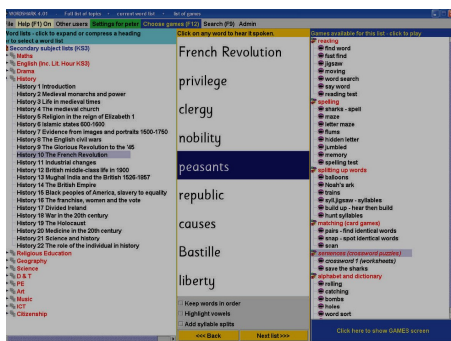

Software to support children with literacy and numeracy difficulties

**When: Session runs from 10.00 – 3.30 pm
Friday, November 12th 2010**

This is a special longer Taster session to give people more time to see and try a wider range of the excellent software available to help students struggling with literacy and numeracy. You can ask questions from the experienced teachers who use the software and hardware in their work.

Software includes Numbershark, Wordshark4, Spin Out Stories, Fitzroy Readers, the Oxford Reading Tree, Letterland, the award winning RapidReading Assistant, CatchUp 1,2 and 3, Ideal Software Maths and Literacy Packs, Textease CT, Dragon Naturally Speaking, Texthelp, Clicker 5, Penfriend and much more.

All this software has been used successfully with students both to support their learning as well as remediate some or most of their learning issues.

Where: SPELD Victoria 494 Brunswick St, North Fitzroy
