

**SPELD Victoria**

# Teacher Training Course in Specific Learning Difficulties

The most comprehensive 4 day course!

Presented by  
Dr Daryl Greaves and Michelle Hutchison

- **Deeply understand Specific Learning Difficulties**
- **Interpret tests such as the WISC**
- **Examine auditory, visual and phonological difficulties**
- **Learn practical and effective teaching techniques**
- **Discover helpful compensation strategies**

## **This course will help you!**

This is the most comprehensive 4 day teacher training course in learning difficulties. In this course you will become skilled in testing, understanding, and practical teaching strategies to help primary and secondary students who are experiencing learning difficulties.

This course is ideal for all primary and secondary classroom teachers, special education coordinators, reading recovery teachers, literacy coordinators, student wellbeing coordinators, tutors, speech therapists, psychologists and even very keen parents!

## **This course is...**

Engaging!  
Insightful!  
Useful!  
Inspiring and  
encouraging!
