

Psychologist (Contractor - Part-Time)

- Immediate start with potential to grow in response to demand
- Highly regarded and respected not-for-profit organisation
- Flexibility to work from home to complete reports

SPELD Victoria is the peak body for Specific Learning Difficulties (SLD) in Victoria. We work to serve the estimated 5-10% of Victorians with Specific Learning Disorders. Our vision is that Victoria is a place where SLDs are widely understood and are no longer a barrier to individuals achieving their full learning potential. We work with our members, government, schools, and community to make this vision a reality for all Victorians with SLDs.

This role requires a skilled clinical or educational and developmental psychologist with the capacity to envisage and grow the psychology service offerings at SPELD Victoria.

About the job

- Undertake diagnostic assessments of adults to investigate SLDs (priority)
- Undertake diagnostic assessments of children, adolescents to investigate SLDs
- Potential to provide occasional professional learning for teachers, other professionals, and parents as part of SPELD Victoria's workshop and outreach program

About You:

The ideal candidate will have the following attributes:

Essential:

- Full registration with the Psychology Board of Australia, and accredited Postgraduate degree in Psychology (preferably Educational and/or Developmental Psychology).
- At least five years of industry experience post postgraduate degree
- Demonstrated proficiency in psychological assessments (specifically WAIS-IV, WISC-V, WIAT-III); proficiency in administering the assessments on Q-Interactive; interviewing and intervention techniques with individuals from a wide variety of backgrounds.
- Excellent report writing skills.
- Strong communication, interpersonal skills & ability to develop positive rapport with all age groups.
- Capacity to advocate on behalf of clients.
- Experience and knowledge of evidence-based instruction and intervention programs for students with Specific Learning Disabilities.
- Experience in an educational environment.

Desirable

- Extensive knowledge in the identification and remediation of Specific Learning Disabilities.
- Knowledge of professional literature (research).
- Own ABN and willing to work as a Contractor
- Experience in developing and running Professional Learning workshops.
- Knowledge of the Victorian tertiary sector and school system.

To Apply: If you are interested, please forward your Resume and a Cover Letter (max 3 pages) addressing the essential requirements to the CEO, at hr@speldvic.org.au Please include your availability including your preferred days to work (Mon to Sat) with your application and copies of depersonalized assessment reports in relation to an adult, and an adolescent or child client.

Applications close cob **Tuesday 12 April 2022**.

Interviews will take place Via Zoom as suitable applicants are identified. Vaccination Certificate mandatory.
